

LEGAL ONE

# (Senior) DevOps Engineer (m/f/d)

Are you #lawesome?

## About Us

We are Legal One - a fast growing legal tech startup in the heart of Berlin. It is important to us that legal services are tailor made, affordable, and can be used by anyone, anytime.

Our team consists of experienced entrepreneurs and experts in the fields of product management, technology, business intelligence, performance marketing and legal. Together we work on creating and optimizing next-generation legal services.

If you are exceptionally motivated and want to develop yourself further both professionally and personally in a friendly, cooperative work environment, then we're looking forward to hearing from you. To continue growing as a company we are looking for a:

## (Senior) DevOps Engineer (m/f/d)

### What you will do

- Maintain, upgrade and extend our microservice-based infrastructure
- Ensure availability of our infrastructure
- Be on-call for production incidents
- Support our engineers when it comes to deployments

**Legal One GmbH**  
Greifswalder Str. 207  
10405 D-Berlin

E-Mail: [it-jobs@legal.one](mailto:it-jobs@legal.one)  
Telefon: 030 / 516956969  
Fax: 030 / 516956951

## Your profile

- You have experience with at least a few of our used technologies: AWS, k8s, helm, rabbitmq, mysql, mongodb, elasticsearch, PHP, go, javascript, bash
- Security, build-server and continuous integration are your passion
- You want to push and improve things and want to learn continuously
- You are dedicated, communicative, team-oriented and you have the enthusiasm to see how your code has an effect on the whole company

## What we offer

- An ambitious and challenging job in a successful startup
- Regular feedback as well as support and help with all questions
- A steep learning curve and cross-departmental insights
- Great creative leeway for your ideas
- A solid and central position with a competitive salary and education budget
- You are directly reporting to our CTO
- A modern workspace in our loft in Prenzlauer Berg, Berlin (10 minutes away from Alexanderplatz)
- Spectacular team events

## Up for the challenge?

We look forward to receiving your convincing application (cover letter, resume, References) via [it-jobs@legal.one](mailto:it-jobs@legal.one) including your availability and salary expectations.
