

LEGAL ONE

Senior Product Manager (m/f/d)

Are you #lawesome?

About Us

We are Legal One – a fast growing legal tech startup in the heart of Berlin. It is important to us that legal services are tailor made, affordable, and can be used by anyone, anytime.

Our team consists of experienced entrepreneurs and experts in the fields of product management, technology, business intelligence, performance marketing and legal. Together we work on creating and optimizing next-generation legal services. If you are exceptionally motivated and want to develop yourself further both professionally and personally in a friendly, cooperative work environment, then we're looking forward to hearing from you.

To continue growing as a company we are looking for a

Senior Product Manager (m/f/d)

Your tasks

- As a product manager, you will be responsible for your own segments within our tech-ecosystem
- Help building software product from the ground up and translate business strategy into software requirements
- Join forces with our operations, legal and engineering teams to revolutionize the legal industry
- Build less, deliver more, deliver fast
- Own and write comprehensive product specifications
- Foster a culture of data driven decision making
- Make sure operations is loving your features and knows how to use them

Legal One GmbH
Greifswalder Str. 207
10405 D-Berlin

E-Mail: jobs@legal.one
Telefon: 030 / 516956969
Fax: 030 / 516956951

Our perfect match

- is proactive and self-motivated and has at least 3-5 years of Product Management experience
- has a technical background in computer science or relevant experience
- checks data of his newly launched product from home, because he is excited about it
- wants to take his career to the next level – not only now, but constantly
- has excellent analytical and organizational skills
- has knowledge of wire-framing tools and general database knowledge (like SQL)

Please note: This position requires very good spoken and written German skills.

What we offer

- An ambitious and challenging job in a successful startup
- Regular feedback as well as support and help with all questions
- A steep learning curve and cross-departmental insight
- Great creative leeway for your ideas
- A solid and central position and adequate salary
- A modern workspace in our loft in Prenzlauer Berg, Berlin (10 minutes away from Alexanderplatz)
- Any video games console you can think of!

Up for the challenge?
